7. Do you have the full amount for your school fees? If so, how much? If not, what is your present financial situation, and how do you plan to acquire your school fees before the start of school? (A financial plan outlining specific details and a timeline must be submitted to the school leader prior to acceptance if you do not have the full amount.)
8. Do you have the funds needed for your travel here? If not, how much do you have towards it?

11. Is there any additional information you think may assist us as we consider your application? (i.e. social, psychological, physical and so on limitations that may effect your participation in some ways).
